

# TERRA FIRMA FARM

## February School Vacation Day Camp 2010

---

Terra Firma Farm is very excited to welcome kids ages 5-12 to its February Vacation Winter Day Camp! At Terra Firma Farm's winter day camp kids will experience winter life on the farm through daily farm animal chores and activities, both indoor and outdoor. We will see all the animals, make crafts, play games, and explore the Farm all about. After animal chores are completed we will explore a daily theme leading us on adventures through the pastures, fields and barns.

### Monday: Farm Work & Play Day

Today you get to be a farmer for a day, learning about life on the Farm from sun up to sun down!! It will be your job to learn all about the animals, their products, and how to care for them. We will have a lot of fun spending time with the farm animals and we will feel proud at the end of a day of work & play!

### Tuesday: Winter Green Thumb

We are going to raid the potting shed today- pull out the garden gloves and get growing! We will mix compost, start seedlings and make our own indoor herb gardens to bring home. We will also till up the soil in the greenhouse raised beds and plant some seeds for an early spring harvest!

### Wednesday: All about Chicks

Chicks are fuzzy, cute and loads of fun! Come to the farm to meet the new arrivals, check the incubator for action, and learn about what these chicks will bring to the farm. We will learn all about hatching eggs, raising chicks, caring for chickens and even explore different types of farm birds!

### Thursday: All about Donkeys

The farm is home to 3 loveable and funny miniature donkeys, Francis, Pedro & Ole. Come and meet the donkeys, watch their silly antics and learn what they do at the farm. Meet the farrier, watch him trim their feet and check their hooves. Learn to brush, halter and walk the donkeys. We will even try and teach them a new trick!!

### Friday: Winter on the Farm

It's COLD out there! On this camp day, we will explore how our animals survive through the winter months. We will check in on the goats and their new kids, feel the thick coats of the donkeys and cows, and count eggs as the chickens begin to lay more. We will even test our winter green thumbs in the greenhouse as we get ready to start seedlings for spring!

Vacation camp will run Monday through Friday 8:30AM to 4 PM. Campers may sign up for a day at a time or the whole week. The cost of each session is \$250/week or \$50/day. For more information contact the farm at 860-535-8171 or by email at [info@terrafirmafarm.org](mailto:info@terrafirmafarm.org)

## Terra Firma Farm Program Registration Form

### How to register for Children & Adult Classes at the Farm
